OPNAV IT Quiz

- My InBox keeps filling up – what can I do about it?
- What options do I have for remotely accessing my email?
- What services should I expect:
  - On the UNCLASS side through NMCI?
  - On the CLASS side (DNHN)?
- Where can I get IT training?
- What does HQWeb do for me?
- How can MS Outlook help me coordinate our office?

Move/Add/Change (MAC) Requests

MAC Type	Service	Cost
Administrative	Administrative changes •deleting an account •adding software •adding share access •creating public folders •logical move of a user •making changes to the account after creation	$36.60 per MAC (One adminstrative MAC per seat per year for free)
Physical	Physical movement of a seat (one location to another)	Average cost $345 per MAC We receive 15% of our seat total as free move MAC, except when totaling a move of 20 or more seats at a time.
Other Services	•creation of an account •change of a display name (e.g., your rank changes) •other non-billable MACs.	Free

Updating the NMCI GAL Yourself

(Global Address List)

- Update a portion of your GAL profile information:
  - Address
  - Phone number
  - Code

- Procedure for GAL update:
  - Log in under your own ID
  - Click “Start” (lower left of screen)
  - Click “Search”
  - Click “for People”
  - Select “Active Directory” in the “Look in” box
  - Type your last name, comma, space, first name and click “find now”
  - Highlight your userid and click “Properties”
  - You can update any area that is white (multiple tabs)
  - Save and Exit

Naval Transformation Roadmap for 2003

As directed in the Defense Secretary's *Transformation Planning Guidance*, the Department of the Navy presents its first annual update to the Naval Transformation Roadmap...this update describes the key naval concepts, capabilities, initiatives, processes and programs that guide the efforts of the Navy-Marine Corps Team in support of the critical operational goals described in the 2001 QDR and new joint operating and functional concepts currently being formulated.

9/11 Commission Report

Click on link for 9/11 Commission Report Executive Summary.

Value Chain and Value System Analysis

Attached is a paper that will be used at the EBC to introduce Flags/SESs to the Value Chain concept. It was prepared by Peter Smith, a professor at UNC that has been teaching the value chain segment at EBC and doing work with Navy organizations to understand how value is derived.
